

Referral Form - Visitation

Form #:	RFV2009.10
Purpose:	To provide consistent format for the collection of information on families being referred for visitation services from DFCS or the courts.
Use:	Recommended
Distribution:	County DFCS offices and court liaison
Completed Forms:	To be kept on hand in case file
Form	Click here to download a blank referral form for visitations.

Referring agency should provide relevant information to assist in the assessment and development of an appropriate visitation plan for the family.

Details

Complete as required.

Visitation Plan

- To adequately assess the visitation needs of the referred family, recommendations and/or preferences for visits are requested.

Transportation Arrangements

- Transportation needs and/or responsibilities are identified.

Visitation Goals

- Identify whether visitation is supporting a reunification plan, termination of parental rights or maintaining sibling contact.

Adults Participating in Visits

- All adults and/or other children who are authorized to participate in visits should be identified.
- Care should be taken to identify any individual who should NOT be allowed to participate in visits.
